

Summary of meeting minutes, W&G AC, Tuesday 6 October 2020

Present: 7, apologies: 4. Meeting opened 7:40pm

Matters Arising

- MA not yet received new signage, will chase and erect
- Generator now run for 60 hours since last oil change
- Blue-green algae on pond died back with the change of weather
- All decking (except peg 22) now varnished
- Christmas match still going ahead but not the meal and social afterwards
- Eligibility for Christmas match now 3 aggregate matches (down from 4 due to Covid).

Updates

- Now 48 on waiting list
- Club finances remain healthy

Other Business:

- Barley bales to be introduced next summer to limit algal growth
- Club to assess requirement to manure the pond next year
- Siltex to be organised for next spring (Shallow, north, end of pond)
- Bank behind pegs 9 & 10 to be levelled
- The club has one bag of chicken feed pellets

Meeting closed at 8:50pm
