

## **Rule and Constitution changes accepted at the AGM on Monday 4 Feb 2019**

### **Constitution 9.1**

If it becomes necessary to amend rules at a point not appropriate to the issuing of permits, notice will be provided on the website, club notice board, Facebook page and by email (with appropriate permission). It is the members responsibility to stay up to date with rule changes so notified.

### **Constitution 7.3, add a clause:**

In the event that no nominations are forthcoming the existing committee members will, with their permission, be automatically put forward for re-election.

### **Constitution – New item**

In the event that any member wishes to raise any complaint or grievance concerning any matter relating to the club this must be raised by the complainant in person at a monthly meeting or in writing to any committee member.

Issues raised by proxy and/or anonymously will not be considered.

Split the constitution and rules into separate documents

Add a number system to the rules.

### **Change litter rule to:**

Members are required to take all litter home with them regardless of how it may have been deposited.

### **Rule regarding pole use on pegs 11, 12 & 13, reword to:**

Pegs 11, 12 & 13 are pole only. Poles must not be pushed back through the railway demarcation fence.

Hook lengths are to be used at all times with a breaking strain less than the main line.

There will be 10 matches per year for the aggregate trophy.

22 points will be awarded to the angler with the highest weight on the day, 21 points to the second, and so on. In the event of a tied weight the points will be awarded for the place achieved (not split in half points).

The aggregate match trophy will go to the angler who has the highest points score (top 8 results only). In the event of a tie on points the winner will be the one with the most wins, if still a tie then the heaviest aggregate weight (for the 8 eligible matches) will be taken into account.
